

## The Newer, Smarter Way to Shop

King Foods is a faith-based organization offering pre-boxed restaurant quality food packages for 40-60% less than store prices. One of our main family boxes is designed to feed a family of four for about a week or a single person for a month. New menus each month may also include convenience meals, bulk meat specials, kid's boxes and more!

Participate as an individual by purchasing food or register your organization to receive and distribute orders as a host site. Each month a new menu is created. Place an order by the deadline and pick up your order from the local host site on distribution day.

No income requirements, order limitations or applications. Credit/debit cards accepted with online ordering. EBT cards accepted at participating host sites. Check with your local host site for other payment types.
